Will Sell For Cash Only

The great abuse of the credit system has compelled the undersigned, to change our manner of doing business. On and after May 1st, 1914, coal and wood will be sold for cash on delivery, only. We believe our customers and friends will appreciate our decision in this matter and will realize that by eliminating all bad accounts, bookkeeping, and other unnecessary expenses, it will enable us to sell coal and wood on a closer margin than we have in the past.

SPRINGFIELD ASKS NEW DEPOT

Jefferson City, May 25.—The manufacturers, jobbers and merchants of Springfield petitioned the State Public Service Commission today for an order compelling the Frisco Railroad Company to build a new passenger station in that city.

Don't take some one else's word for it, but go and see for yourself. Then after you are convinced that Bob Callaway has the quality, the style and the best prices, you will know where to go for just the article that you want in furniture and rugs.

WHISTLES AT A WOMAN

London, May 25.—A Sunbury man whistled to call a woman's attention to a dropped handkerchief and then almost fainted when he learned she was the Queen walking with the Princess Mary.

The United States "Nobby Tread" automobile tires are in a class alone. The large nobs protect the shoe and prevent puncture.

PAIGE

Model Glenwood "35"—Electric lighting and starting—\$1275
Model Brunswick "25"—5-passenger—Electric lighting and starting—\$975

THE company back of the car is an important factor in determining automobile value.

The Paige-Detroit Motor Car Company has no bonded or other indebtedness on which interest has to be paid—no excessive capitalization on which it has to earn dividends—no heavy overhead expense of any kind—

The price of a Paige car represents actual car value simply because the company back of it is sound financially.

When you buy the Paige you pay only for the car.

That is why it is possible to include in the Paige so many structural features usually found only in cars of much higher price—

Investigate these facts for yourself.

Then get your name on an order blank as quickly as you can—The Paige is going to be oversold again this year.
